

## Advisory regarding Corona Virus

### Introduction to COVID-19 disease:-

Novel Corona Virus spread was confirmed on 7<sup>th</sup> January 2020 by Chinese authorities in Wuhan city, Hubei Province virus has been renamed by WHO as SARS-COV-2 & disease caused by it as COVID-19. As per WHO (as of 26<sup>th</sup> February 2020) there have been 81109 confirmed cases worldwide, 2718 death have been reported in China & 49 deaths in other countries.

In India on 26<sup>th</sup> February 2020, 3 travel related cases has been reported in Kerala on 2<sup>nd</sup> and 3<sup>rd</sup> March. 6 new cases from Noida (UP) and one from each Delhi & Telangana were confirmed.

With regards to above GOI has issues some preventive re causes which are to be followed by all the gathering area, Institutions, Schools and Hospitals.

As festival of Holi is coming, all teachers and students of SPAV are advised to restrict/ avoid travel to Delhi/ UP or other neighboring states especially in public transport. There is no need to panic but preparedness is important General Public is advised to follow basic precautions:-

- Wash your hands frequently
- Maintain social distancing
- Avoid crowding
- Avoid touching your eye, Nose & Mouth
- Practice respiratory hygiene by coughing your mouth and nose with your bent elbow or tissue during coughing, sneezing.
- Seen medical help if you have fever, cough, breathing difficulty
- Maintain distance at least 2-3 meter from person having cough, difficulty breathing

-----  
To be circulated to all the Faculty, staff  
and students
